

Soul on a river (I'm waiting) M&T: Thomas Prünke

1. My soul lies on a river, feeling cold and blue
moonlight shining, is the only light I know

2. I don't believe in magic, it seems so far away
for me tomorrow, is just another day

My love – I'm waiting
How long? Tell me how long?

3. Time feels like an ocean, wavin' up and down
again and again, there's moonlight on the town

My love – I'm waiting
How long? Tell me how long?

4. My soul lies on a river, feeling cold and blue,
moonlight shining, is the only light I know.

My love – I'm waiting
How long? Tell me how long?
